[†]Does not apply to [Website Payments Pro](#) or [Virtual Terminal](#).

How is eligibility for merchant rates determined?

Eligibility for merchant rates is determined based on sales volume from the previous calendar month. To qualify for Merchant Rates, a seller must complete a one-time application and meet the [merchant rate criteria](#). **How much are PayPal's fees for non-U.S. sellers?**

For secure transactions worldwide, see fees for [Canada](#), [European](#) or [other countries](#).
